The All-Star Baseball season is here! We are excited to have you in the 2018 Training Legends All Star State Championship being held in Gwinnett County, Georgia. There are many thrilling activities planned for your teams to make this an event to remember by all your players and participants.

- **Opening Day:** June 20th at the Gwinnett Stripers v. Toledo Mud Hens at Coolray Field
- **Multiple Brackets:** To keep play competitive at different levels, we have multiple brackets to participate in. Gold, Silver, & Bronze brackets have been created. We love giving away hardware!
- **4 Game Guarantee:** This is the true Georgia State Tournament. Not North Georgia, Not Dizzy Dean, Babe Ruth, Little League or Dixie Youth. True bragging rights for the State of GA! To avoid more than 3 games on any day, and since it is a 4 game guarantee, we will start early and you will potentially have a game on Thursday evening.
- **Rain:** Our objective is to always complete our Tournaments. If rain impacts play, we may be forced to shorten game times or go to single elimination. Of course, we will keep you posted of any changes via Tourney Machine.

Training Legends All Star State Championship – June 21-24

- 6u-14u
- The Training Legends Georgia State Championship for All-Stars is based on the official [National Federation of State High School Associations \(NFHS\) Baseball Rules Book](#)
- with some modifications. [Download a PDF copy of the official Training Legends All-Star Baseball Rules document here.](#)
